

Live For Liv

Benefit Tack Sale

In Memory of Olivia “Liv” Marchand

On February 1st 2010 Liv and her Mom, Jody, became victims of domestic abuse. Even though Olivia is no longer with us she lives on in our hearts, and in the kind gestures of those supporting the Live for Liv Foundation. The proceeds and donations from this tack sale will go directly to the Live for Liv Foundation, which was established to support Jody Marchand during her long road to recovery.

Olivia had a great love for everything “outdoors”. From horses to flowers, nature was a part of her. Her free spirit made her outgoing and vibrant; she had a smile that could light up a room as seen in the pictures above with her Mom and two horses, Keni and Lola.

Although Liv was taken from this world too soon we will never forget the happiness and joy she brought to all of our lives. Read more about Olivia and Jody at www.LiveForLiv.com
